Main Issues Report - LDP - Rresponse

Development Bid Reference ■■■ B0944 ■■■ Inchgarth Road

This bid should be accepted so that poor quality land which has been unused for many years can be put to productive use.

I realise that most of the houses in the Cults, Bielside and Milltimber area are large,

detached units with very few properties on one level and very few properties which are relatively small in scale. As people get older they are looking for properties such as these but also potentially supported in a community situation. As far as I know this doesn't exist in this area and I think it would be a really good idea if the provision of such a community was taken forward.

Anyone driving in the east Cults area and trying to go south is faced with problems. I'm not sure how to solve these problems but surely the Council should be making this a priority.
