Local Development Plan Main Issues Report 2019 Consultation
Development Bid Reference ■■■ B0944 ■■■ Inchgarth Road

I support this bid.

I have reviewed the proposals and think this is a good use of the space, as the population is continually getting higher this sort of development is required with shops central to the development and also the provision of the new road will ease congestion with current Station Road and Westerton Road. I would have also thought that the level of traffic associated with the Development would be far less than if a general housing development.
