Main Issues Report

My support for bid reference B0944 Inchgarth Road

I support the above bid as the need for suitable retirement accommodation is going to grow and grow over the coming years due to the aging population. Elderly people who have lived in this area for a long time will welcome the fact that they do not have to move from the area should they need to move to housing with additional care. The additional facilities, e.g. pharmacy, doctor's surgery and café will also be of great benefit to not only the residents, but the whole of the local community.
