Main Issues report - bid ref. b0944 Inchgarth Road

I want to note my support of the above development as the site is currently an eyesore and not available for public use. The proposed public open space/wildlife corridor, would benefit both the residents of the development and also the general public and would strengthen the green space of the area. The design of the development fits in with the pattern of development in the area and would not be detrimental to the character of the area.
