Main Issues Report - Response

Development Bid Reference ■■■ B0944 ■■■ Inchgarth Road

I think this land should be supported in the bid process.

The roads in the area are not fit for modern day traffic use and the bid incorporates a new road which will solve the problem once and for all.

There is a need for retirement housing in the area along with related community facilities and the bid proposal will provide this as well.

The bid allows for much improved and safer access onto the Deeside Way which will be a benefit to the whole community.
