Main Issues Report - Response

Development Bid Reference ■■■ B0944 ■■■ Inchgarth Road

I wish to express my support for this bid which will see a new link road and Retirement Village development on the land lying between the North Deeside Road and Inchgarth Road Cults.

There is an urgent need for a new road due to the layout and narrowness of the existing through roads. All three roads present hazards and are a danger to drivers and pedestrians alike. I appreciate the safer access to the Deeside Way.

The design and layout of the plan is attractive and well thought out. It succeeds in fitting in with the surrounding area. It also meets the housing requirements of the area. I think the additional facilities would be appreciated by people living in the surrounding area as well as local residents.
