I write to urge you to refuse permission for the B1308 Royal Devenick Park Phase 1 development.

It is important that we maintain and nurture the green spaces we have and Banchory Devenick is a huge asset in that respect. It would be a tragedy if the area was given over to housing/offices, further eroding any semblance of a green belt and destroying yet more habitat for the wildlife in and around our city.

Please reject this plan robustly and try to ensure that the area is future-proofed against development - in other words, ensure that it is not destroyed.

Thank you.
