MAIN ISSUES REPORT

REF : B0944 INCHGARTH ROAD

I would like to support the above development as I think this type of development will be well received by the elderly community who currently live in this area and want to stay in this area even if they have to downsize or need extra care. The retail units on the site will benefit the general community as well as the residents of this development. The proposed relief road will also make a lot of difference to this area.
