I request that the land at Inchgarth Road (Development Bid Reference B0944 Inchgarth Road) is included in the local development plan. I travel between my home on [REDACTED] and the Bridge of Dee on an almost daily basis and I strongly support the development of a new link road between North Deeside Road and Garthdee Road as the existing routes are neither fit for purpose or safe for road users.

Our ever ageing population is going to continue to require new developments such as this, and I wholly support the development in this area as a result.
