Local Development Plan Main Issues Report 2019 Consultation

Inchgarth Road - Development Bid Reference ■■■ B0944

I support the above development bid which provides for housing specially designed for the elderly and retired and affordable housing both of which are much needed in this area of the city.

The layout of the housing and other facilities will fit with the local area and will be an improvement to the overgrown, rough fields.

The new road will provide a much safer route between the North Deeside Road and Inchgarth Road compared with Pitfodels Station Road and Westerton Road.
