Response to Main Issues Report Consultation 2019
Development Bid Reference – B0944 – Inchgarth Road

Please record my support for this bid.

I believe the new road will assist the congestion in the area and alleviate the rat run scenario currently faced by locals living in Pitfodels Station Road, Westerton Road and St Devenick's Place as well as being a lot safer.

It will also mean that improved public transport can be considered for the area.

The new facilities proposed will be very welcome and a bonus to those living in the vicinity together with the availability of housing suitable for retirement.
