Local Development Plan
B0944 â■■ Inchgarth Road

I wish to support the above bid as the plan will replace an eyesore, meet an identified housing need in the area as outlined in the CBMCC Draft Plan and is a solution to the severe road network problem. The existing roads are clearly not fit for purpose and a worrying safety hazard. The plan is sympathetic to the area with open space and a wildlife corridor and I fail to understand why anyone would object to this plan. It seems an ideal solution to long-standing problems.
