Local Development Plan Main Issues Report 2019 Consultation
Development Bid Reference 0904 - Land Adjacent to Countesswells Wood

This site should be included in the local development plan.

It is well sheltered by woodland to north and west, south facing, more or less flat with excellent drainage and no negative cultural heritage.

It has great links in terms of proximity to all utilities and roads.

It is very close to good walking and cycling.

It is a small site and directly south of the current Masterplan area.

It will be close to the new shops at Countesswells.

It would be an excellent family place to live because of all the schools about to get built very close by . It will also be very close to the new park and recreational facilities.

Additional Files

If you have further information you would like to provide you may upload it here.:
