Local Development Plan Main Issues Report 2019 Consultation  
Development Bid Reference B0944 - Inchgarth Road

I support the bid because this particular area has fallen into disrepair over the past 20+ years and far from being a 'natural wild space' it is something of an eyesore. In my opinion the provision of some sort of link road between North Deeside Road and Garthdee Road is long overdue.

The current roads going north to south in the area namely, Westerton Road and Pitfodels Station Road are not fit for purpose any longer and something needs to be done.

I support the proposal to build retirement homes in the area as I am sure there is a need and this is an excellent area of ground for this purpose.
