**Subject:** Aberdeen City Council LDP 2022 Proposal No B0944 Inchgarth Road

To who it may concern

Proposal No B0944 Inchgarth Road

Please record my objection to the above proposal.

I agree with the constraints mentioned and the recommendation that this proposal is "undesirable".

There is no evidence to support the need for a link road. The opening of the AWPR has had positive impact on reducing the amount of traffic in this area as was previously predicted.

This is a precious green space for both people and wildlife alike.

Susan Wilson
