Local Development Plan Main Issues Report 2019 Consultation

Bid Reference B0904

I support this bid and would like the site to be promoted for residential development in the local development plan.

It is a lovely corner site, well sheltered and with a back-drop of trees on 2 sides . It is south facing and will therefore get a lot of sun.

It is very close to great amenities including the new park as wells as plenty of woodland for walking and cycling.

It is very close to the new roads system and all the necessary amenities including high-speed broadband are at its doorstep.
