Local Development Plan Main Issues

Bid Reference B0904 - land at Countesswells

My response:-

I wish this land to be included in the LDP.

It is a small site and directly south of the current Masterplan area. It will be an excellent place for a family to live as all the new schools are going to be built very close by. There are also the facilities of the new park. It is close to the woods so great for outdoor activities such as cycling and dog walking, etc.

It is a more or less flat piece of ground with nothing currently happening on it and hasn't had for many years. It is well sheltered by woodland. It's very close to all the necessary roads and utilities so therefore very easy to develop.

Generally it is just a great spot for family living.
