PRIVACY STATEMENT

As part of the review of the Local Development Plan, Aberdeen City Council (ACC) will offer you several opportunities to submit your views and comments. These opportunities will range from the current consultation stage, the Main Issues Report, where we will ask you to comment on specific proposals and alternatives to the Proposed Plan stage where the set view of ACC has been established.

ACC are legally required to consult at this stage and at Proposed Plan stage. This is set out in the Town and Country Planning (Scotland) Act 1997 (as amended) and supporting regulations. The Environmental Assessment (Scotland) Act 2005 also requires us to consult on a Strategic Environmental Assessment Environmental Report.

By submitting a response to the consultation, you understand that ACC can use the information provided in this form, including personal data, as part of the review of the Aberdeen City Local Development Plan. ACC will not share or disclose any personal data about you to any organization or person unless it is authorized or required to do so by law.

The data controller for this information is ACC. We understand our legal basis for processing this information as Article 6(1)(c) of the General Data Protection Regulation as this is an activity we are legally required to carry out under the Town and Country Planning (Scotland) Act 1997 (as amended) and supporting regulations and The Environmental Assessment (Scotland) Act 2005. The data on the form will be used to inform the preparation of the Proposed Aberdeen City Local Development Plan 2022. At the end of the consultation, where contact details have been provided, the Local Development Plan team will provide you with a respondent number. You may also be contacted about the comments you have made and, as obliged by the Town and Country Planning (Scotland) Act 1997 (as amended) and supporting regulations, the Local Development Plan team will contact you to inform you of the publication of the proposed Aberdeen Local Development Plan in early 2020. If you chose not to provide your contact details, your comments will still be valid but we will not be able to contact you in the future.

Responses will be collated, redacted, summarised and stored electronically or in locked cabinets in Marischal College. All redacted responses will be published, alongside the respondents name (if provided), on the Aberdeen City Local Development Plan website. Contact details will not be made public, but your name and respondent number will be published.

Aberdeen City Council will only keep your personal data for as long as is needed. Data will be kept until the emerging Local Development Plan is itself replaced – this is likely to be around 5 years following its adoption in 2022 – so 2027. Following this, data will be disposed of in a secure manner.

Milltimber South.
Land adjacent to A93, opposite Contlaw Brae, Milltimber

We wish to register our objection to the proposed housing development at Milltimber South, adjacent to the A93, opposite Contlaw Brae, Milltimber.

This site was always taken as being in the Green Belt zone and we do feel strongly that building at this site would certainly spoil the local amenity and countryside view. The area in question has always allowed the public to feel that they are in the country and able to enjoy the open views over the River Dee to Kingcausie Estate. When the original application was discussed with local residents it was stated that the council did not want this development, at that time it was for 60 houses and a commercial plot, now the proposal has been increased to 90 houses. Surely our Council cannot support this application!!!

When you look at what the proposed developer has done at Peterculter East, OP45, it has certainly removed any countryside view and amenity from that site.

When looking at the Aberdeen LDP 2017 the site in question is shown in grey which is clearly stated as being undesirable for housing development. Why has the Council now changed its mind?

We would request that the Council rezone this site as Green Belt.
