

26 June to 21 August 2021

Name

Library card

Help Library Bear celebrate the Year of Coasts & Waters this summer on his Great Staycation!

Complete as many of our challenges or read as many books as possible and help send Library Bear on his travels. For every book read or challenge completed, Library Bear will travel 10 miles around the Scottish Coast. The more books you read or challenges you complete; the further Library Bear can travel! Can you help us get him all the way round Scotland and home again before the summer ends?

HOW DO I TAKE PART

Register as an individual or as a group at bit.ly/ABZReads. Everyone who participates will be entered into a prize draw. Additional prize draws for those who help Library Bear travel the furthest. There are 8 different challenges to choose from with lots of related activities available on our website to inspire you. Or read a book that relates to the challenge.

HOW DO I LOG MY MILES?

You can let us know how you're getting on and 'claim' your miles at your nearest open library or via our social media and email (details overleaf). You can also use this card to help you log your miles and return it to us at the end of the challenge too.

Full details are available on our website www.aberdeencity.gov.uk/aberdeenreads
