## What would you like to say about the issue?

On page 1 of the Decision Notice letter for this development, dated 29/1/2015 with planning reference 131860, it states in condition (2) the following:

No development shall commence on site until a detailed scheme of landscaping has been submitted to and approved in writing by the Planning Authority, which scheme shall include existing trees, including those to be retained and those to be removed, and a detailed scheme of proposed grassed areas, tree/shrub planting including details of numbers, densities, locations, species, sizes and stage of maturity at planting for. - In the interests of the visual amenity, and residential amenity.

**What change would you like to see made?**

I would like to see and have the opportunity to comment on the submitted detailed plan of landscaping before any works are started.

This is in relation to my concern that the established trees in the area should be retained wherever possible.

Please return the completed form by:
