Name	Dan Peck
Organisation/group/landowner:	Aberdeen International Airport
2.1 What do you think are the most important things that make Aberdeen a good place to live, visit and/or work?	Quality of life Connectivity to the world Access to the countryside
2.2 What do you think should be the Council's top priorities for the next Aberdeen Local Development Plan?	Surface access issues Provision of broadband maintainance of greenspaces within City boundary
2.3 Do you have any particular aspirations for your community or Aberdeen as a whole that you think should be taken forward through the ALDP? For example, what are your views on recycling of waste, affordable housing, access to green space or ways to reduce CO2 emissions?	Waste recycling - we need more local recycling bases There are a number of new developments being built in close proximity to the airport and also under helicopter routes - this can lead to residents being affected by noise. Green space would be a better option in these areas.
2.4 What do you think should be our main planning priorities for the City Centre? (For example, what should the role of Union Street be? Does the City Centre have all the uses we	

want, or should there be more uses there- and if so where could they go?)	
2.5 What do you think should be our main planning priorities for providing infrastructure? (For example, how should new infrastructure be provided and how might it be paid for?)	
2.6 What do you think should be our main planning priorities for transport and accessibility? (For example, how can we make it easier to travel in and around Aberdeen? Should we look at pedestrianisation in the City Centre?)	Maintain and improve links to the airport
2.7 What do you think should be our main planning priorities for ensuring we have high quality buildings and places? (For example, how can we better protect our built heritage and ensure high quality and sympathetic architecture and landscape design?)	
2.8 What do you think should be our main planning priorities for meeting the needs of business and industry? (For example, what can be done to retain existing businesses and attract new employment opportunities to Aberdeen?)	
2.9 What do you think should be our main planning priorities for meeting Aberdeen's housing and community needs? (For example, how can we meet the needs of people who cannot afford mainstream housing?)	
2.10 What do you think should be our main planning priorities for supporting retail centres across Aberdeen? (For example, should we be safeguarding existing centres, and what are your thoughts on new out-of-town retail parks?)	
2.11 What do you think should be our main planning priorities for protecting and enhancing the natural	

environment, and preventing flooding? (For example, what areas or features should we be safeguarding?)	
2.12 What do you think should be our main planning priorities for ensuring that resources and waste are managed sustainably? (For example, can we make more innovative use of waste as a resource? Should we encourage renewable energy use? How could we do these things?)
