

ABERDEEN CITY LIBRARIES

Supporting Education

Aberdeen City Libraries supports staff employed by Aberdeen City Council and its partners to meet the educational and social development needs of children and young people aged 3-18.

Curriculum Resources & Information Service (CRIS)

Members can borrow up to 50 items from the wide range of resources including artefact packs, wallcharts and educational games.

Resources supporting those with additional support needs are also available.

Staff based in educational settings can borrow resources using the Topic Request Service -

https://integration.aberdeencity.gov.uk/service/Library_CRIS_Topic__Request

Aberdeen City Libraries Memberships

- CRIS Membership
- Group Membership
- Individual Membership

Join online or visit your local library

Community Libraries

Group visits from playgroups, nurseries, schools and other youth organisations are always welcome.

Group members can borrow up to 35 books and audiobooks. Contact your local library for more information or to arrange a visit.

Supporting Literacy Initiatives

Resources, class visits and advice on supporting your school's participation in literacy initiatives including First Minister's Reading Challenge, Bookbug Picture Book Prize and Scottish Teenage Book Prize are available from your local library.

Advice and Guidance

Our Library Development Team can offer support on:

- Continuing professional learning for staff working in education & child development
- Training and advice on development, design and self-evaluation of school libraries
- Promotion of literacy.

Other Services

Aberdeen City Libraries also supports education through local history material; encouraging entrepreneurial & employability skills; health & wellbeing support and access to a variety of physical and digital resources.
