

Aberdeen Local Development Plan Review

Proposal for a site to be included in the Main Issues Report

The Proposed Strategic Development Plan does not require us to allocate extra housing or employment land in the next Local Development Plan (LDP). Because the 2012 LDP identified a significant number of greenfield sites to accommodate these requirements, we are not looking to allocate any more greenfield housing or employment land in this plan. It is for this reason that we are not asking for greenfield development options this time around. However, we are always keen to identify new brownfield sites for housing or for other uses. Please use this form to provide details of the site that you wish to have included in the Main Issues Report for consideration as a proposal in the next Aberdeen Local Development Plan.

One of the purposes of this form is to inform a public debate on the merits of the different sites being proposed. All information submitted will therefore be made available to the public to promote a transparent and open process.

Please feel free to provide any further information you feel appropriate to support your submission. The City Council has produced a Sustainability Checklist which provides guidance on the issues which will be used to help us judge the merits of competing development options.

This can be found on www.aberdeencity.gov.uk/localdevelopmentplan

Please ensure your proposal is with us by 14th June 2013.
