2.1 What impact could this policy have on any of the below groups?

Protected Characteristic	What is the impact?				
	Negative			Neutral	Positive
	High	Medium	Low		
<a href="#">Age</a>				X	
<a href="#">Disability</a>				X	
<a href="#">Gender Reassignment</a>				X	
<a href="#">Marriage and Civil Partnership</a>				X

<a href="#">Race</a>				X	
<a href="#">Religion or Belief</a>				X	
<a href="#">Sex</a>				X	
<a href="#">Sexual Orientation</a>				X	

2.2 In what way will the policy impact people with these protected characteristics?

It will not. This proposal seeks to move to an alternative approach of delivery multi-agency GIRFEC training to staff across our Children's Partnership.

2.3 What considerations have been made in reaching the above assessment?

### What internal or external data has been considered? What does this data tell us?

Building on the experience of delivering Child Protection Training for the workforce.

### What consultation and engagement and has been undertaken with officers and partner organisations?

Engagement with Aberlour about this proposal has been ongoing since autumn 2023. The posts which have delivered this training have been vacant since this point in time and efforts to recruit to it have been unsuccessful.

### What consultation and engagement and has been undertaken with people who may be impacted by this policy (e.g. citizens, community groups, or other people/groups)?

Aberdeen City Council launched a three-part public consultation around the 2024/25 Budget and future spending plans from July 2023 to January 2024. In part 1, which ran throughout July 2023, people were asked to award points across different service areas to indicate where they thought the council's spending priorities should be. In part 2, the public could either increase, decrease or not change the level of expenditure in areas listed. In part 3, which took place throughout January 2024, there were two face to face sessions for the public to attend and an online consultation. There were 3,179 responses to part 1, 2,564 responses to part 2 and 285 responses to part 3. Included in all parts of the consultation was a specific question regarding the provision to stop the contract that delivers multi-agency GIRFEC learning and development.

To date there has been no feedback in relation to this option.

## 5: Children and Young People’s Rights Impacts

The United Nations Convention has 54 articles that cover all aspects of a child’s life and set out the civil, political, economic, social and cultural rights that all children everywhere are entitled to. It also explains how adults and governments must work together to make sure all children can enjoy all their rights.

Children’s rights apply to every child/young person under the age of 18 and to adults still eligible to receive a “children’s service” (e.g. care leavers aged 18 – 25 years old).

The Conventions are also known as the “General Principles” and they help to interpret all the other articles and play a fundamental role in realising all the rights in the Convention for all children. They are:

1. Non-discrimination (Article 2)
2. Best interest of the child (Article 3)
3. Right to life survival and development (Article 6)
4. Right to be heard (Article 12)
