1. About the Policy

1.1 Title
Cease Contract Monitoring – School and Social Care Transport.
1.2 What does this policy seek to achieve?
<p>The proposal intends to achieve budget savings (£34,000) by removing the staff role which undertakes Contract Monitoring of School and Social Care Transport contracts.</p> <p>Most of the work would still be required and would require to be undertaken by remaining staff members, this would include: investigating complaints/concerns; vetting of drivers; ensuring appropriate vehicle use and licences are in place, etc; managing and providing guidance on safety equipment and child seats; on contracted school and social care contracted transport.</p> <p>In person site visits, spot checks and complaint follow up’s would cease. This policy could result in reduced service quality and difficulty in investigating complaints, managing safety requirements and could result in high risk to the Council in terms of ensuring contract compliance and safety on school and social care contracts and could result in Best Value on contracts not being met.</p>

Children’s rights apply to every child/young person under the age of 18 and to adults still eligible to receive a “children’s service” (e.g. care leavers aged 18 – 25 years old).

The Conventions are also known as the “General Principles” and they help to interpret all the other articles and play a fundamental role in realising all the rights in the Convention for all children. They are:

1. Non-discrimination (Article 2)
2. Best interest of the child (Article 3)
3. Right to life survival and development (Article 6)
4. Right to be heard (Article 12)

Would result in reduced service quality and difficulty in investigating complaints, managing safety requirements and could result in high risk to the Council and reduced value. Option would also require redeployment of 1 employee. As such, this IIA should be read in conjunction with IIA Workforce Reduction, Restructure and Redesign
