## 2: Equality Act 2010 - Protected Characteristics

Aberdeen City Council wants to ensure everyone is treated fairly. This section identifies the [protected characteristics](#) that the policy potentially affects and records the impact and mitigating steps.

2.1 What impact could this policy have on any of the below groups?

	What is the impact?				
	Negative			Neutral	Positive
Protected Characteristic	High	Medium	Low		
<a href="#">Age</a>				√	
<a href="#">Disability</a>				√	
<a href="#">Gender Reassignment</a>				√	
<a href="#">Marriage and Civil Partnership</a>				√	
<a href="#">Pregnancy and Maternity</a>				√	
<a href="#">Race</a>				√	
<a href="#">Religion or Belief</a>				√	
<a href="#">Sex</a>				√	
<a href="#">Sexual Orientation</a>				√	

2.2 In what way will the policy impact people with these protected characteristics?

This will have a neutral impact as the officer recommendation is to maintain the existing budget to the organisations funded from the Common Good.

2.3 What considerations have been made in reaching the above assessment?

**What internal or external data has been considered? What does this data tell us?**

I have no data as there is no impact on people with protected characteristics.

**What consultation and engagement and has been undertaken with officers and partner organisations?**

We have asked organisations who receive recurring funding from the Common Good to complete an application form to understand what the funding is used for and how this ties in with the LOIP. They identified how the funding supported such areas such as stretch outcome 1.3 Supporting vulnerable and disadvantaged people, 11.2 Provide individual s and communities with social resources needed to feelings of loneliness and social isolation. [Aberdeen City Local Outcome Improvement Plan 2016-26 - Community Planning Aberdeen](#)

Additional would support Equality Outcome 2 (increase sense of safety and belonging within their community). [Equality Outcomes and Mainstreaming Report | Aberdeen City Council](#)

## 5: Children and Young People’s Rights Impacts

The United Nations Convention has 54 articles that cover all aspects of a child’s life and set out the civil, political, economic, social and cultural rights that all children everywhere are entitled to. It also explains how adults and governments must work together to make sure all children can enjoy all their rights.

Children’s rights apply to every child/young person under the age of 18 and to adults still eligible to receive a “children’s service” (e.g. care leavers aged 18 – 25 years old).

The Conventions are also known as the “General Principles” and they help to interpret all the other articles and play a fundamental role in realising all the rights in the Convention for all children. They are:

1. Non-discrimination (Article 2)
2. Best interest of the child (Article 3)
3. Right to life survival and development (Article 6)
4. Right to be heard (Article 12)
