### 2: Equality Act 2010 - Protected Characteristics

Aberdeen City Council wants to ensure everyone is treated fairly. This section identifies the [protected characteristics](#) that the policy potentially affects and records the impact and mitigating steps.

## 2.1 What impact could this policy have on any of the below groups?

|  | What is the impact? |        |     |         |          |
|--|---------------------|--------|-----|---------|----------|
|  | Negative            |        |     | Neutral | Positive |

| <a href="#">Disability</a>                     |                     |        | X   |         |          |

| <a href="#">Marriage and Civil Partnership</a> |                     |        |     | X       |          |
| <a href="#">Pregnancy and Maternity</a>        |                     |        |     | X       |          |
| <a href="#">Race</a>                           |                     |        |     | X       |          |

## 2.2 In what way will the policy impact people with these protected characteristics?

Some of the work carried out within the service has an impact on age (young and old) and also people with disabilities, however, it does effect all members of the public. ## 2.3 What considerations have been made in reaching the above assessment?

### What internal or external data has been considered? What does this data tell us?

Knowledge of the role that this service carries out. Service and budget data.

Data from the phase 2 consultation process has been reviewed.

There were 3,179 responses to part 1, 2,564 responses to part 2 and 285 responses to part 3. The Act sets out our human rights in a series of 'Articles'. Each Article deals with a different right.

## 5: Children and Young People’s Rights Impacts

The United Nations Convention has 54 articles that cover all aspects of a child’s life and set out the civil, political, economic, social and cultural rights that all children everywhere are entitled to. It also explains how adults and governments must work together to make sure all children can enjoy all their rights.

Children’s rights apply to every child/young person under the age of 18 and to adults still eligible to receive a “children’s service” (e.g. care leavers aged 18 – 25 years old).

The Conventions are also known as the “General Principles” and they help to interpret all the other articles and play a fundamental role in realising all the rights in the Convention for all children. They are:

1. Non-discrimination (Article 2)
2. Best interest of the child (Article 3)
3. Right to life survival and development (Article 6)
4. Right to be heard (Article 12)

You can [read the full UN Convention \(pdf\)](#), or [just a summary \(pdf\)](#), to find out more about the rights that are included.
