Impacts

This section demonstrates the considerations that have been made in relation to the policy - and that the impact of proposals made is understood and accepted.

2: Equality Act 2010 - Protected Characteristics

Aberdeen City Council wants to ensure everyone is treated fairly. This section identifies the [protected characteristics](#) that the policy potentially affects and records the impact and mitigating steps.

2.1 What impact could this policy have on any of the below groups?

Protected Characteristic	What is the impact?				
	Negative			Neutral	Positive
	High	Medium	Low		
Age			X		X
Disability			X		X
Gender Reassignment				X	
Marriage and Civil Partnership				X	
Pregnancy and Maternity			X		X
Race				X	
Religion or Belief				X	
Sex				X	
Sexual Orientation				X	

2.2 In what way will the policy impact people with these protected characteristics?

The implementation of the proposals within this report will help to promote road safety particularly those lower existing speed limits which provides an improved environment for walking, wheeling, and cycling. Those who have limited or reduced mobility may have to travel further on foot from parking places to access the nursery in Cove.

2.3 What considerations have been made in reaching the above assessment?

What internal or external data has been considered? What does this data tell us?

In determining that the above mentioned schemes were necessary, traffic surveys, speed surveys, officers site visits and desktop studies have been carried out to provide baseline information.

What consultation and engagement and has been undertaken with officers and partner organisations?

The Net Zero, Environment and Transport committee convener, deputy and ACC senior Officers have been consulted.

The statutory consultation process included the emergency services and special interest groups such as Disability equity Partnership, taxi, cycle and freight partners.

What consultation and engagement and has been undertaken with people who may be impacted by this policy (e.g. citizens, community groups, or other people/groups)?

A formal public consultation has been conducted during the Small-Scale process using Online consultation hub, street notices and letters to residents. The report presents the 37 objections which were received.

2.4 What mitigations can be put in place?

What mitigations are there against any negative impacts (if applicable)?

Members of the public have the ability to object to the proposed schemes as part of the process. Those with blue badges can park in close proximity to the nursery using the badge.

With mitigations in place, what is the new overall rating of the negative impact(s)?

High	
Medium	
Low	
Negative Impact Removed	X

5: Children and Young People’s Rights Impacts

The United Nations Convention has 54 articles that cover all aspects of a child’s life and set out the civil, political, economic, social and cultural rights that all children everywhere are entitled to. It also explains how adults and governments must work together to make sure all children can enjoy all their rights.

Children’s rights apply to every child/young person under the age of 18 and to adults still eligible to receive a “children’s service” (e.g. care leavers aged 18 – 25 years old).

The Conventions are also known as the “General Principles” and they help to interpret all the other articles and play a fundamental role in realising all the rights in the Convention for all children. They are:

1. Non-discrimination (Article 2)
2. Best interest of the child (Article 3)
3. Right to life survival and development (Article 6)
4. Right to be heard (Article 12)
