

Integrated Impact Assessment

The purpose of Aberdeen City Council is to protect the people and the place of Aberdeen from harm, enabling them to prosper and supporting them in the event of harm happening.

The purpose of an Integrated Impact Assessment is to evidence that Aberdeen City Council are making decisions in an informed way, and that the impact of decisions made is understood and accepted. The legislation that is considered within this assessment are:

- Section 2 [Equality Act 2010 protected characteristics](#)
- Section 3 [Socio-Economic](#)
- Section 4 [Human Rights](#)
- Section 5 [Children and Young People’s Rights](#)

The term ‘policy’ is used throughout this document and applies to policies, proposals, strategies, provision, criteria, functions, practice, budget savings and activities that includes delivery of our services.

1. About the Policy

1.1 Title

Report of the Property Level Flood Protection Scheme Uptake and Changes to the Property Level Protection Grant Scheme to increase percentage to be claimed

1.2 What does this policy seek to achieve?

Aberdeen City Council currently offers a Property Level Protection Grant Scheme to help owners protect their property from flooding. Domestic and commercial properties that meet the criteria can receive a grant up to 50% of the installation cost. Aberdeen City Council now seeks to expand the current grant support in relation to increasing the percentage of costs and maximum amounts to be claimed. The scheme will reduce the impact on properties vulnerable to internal flooding.

1.3 Is this a new or existing policy?

Existing Flood Property Level Protection Grant Scheme since 2017

1.4 Is this report going to a committee?

Yes.

1.5 Committee name and date:

Net Zero, Environment and Transport Committee

3 September 2024

1.6 Report no and / or Budget proposal number and / or Business Case reference number:

CR&E/24/249

1.7 Function and cluster:

City Regeneration & Environment - Operations

Impacts

This section demonstrates the considerations that have been made in relation to the policy - and that the impact of proposals made is understood and accepted.

2: Equality Act 2010 - Protected Characteristics

Aberdeen City Council wants to ensure everyone is treated fairly. This section identifies the [protected characteristics](#) that the policy potentially affects and records the impact and mitigating steps.

2.1 What impact could this policy have on any of the below groups?

Protected Characteristic	What is the impact?				
	Negative			Neutral	Positive
	High	Medium	Low		
Age				X	
Disability				X	
Gender Reassignment				X	
Marriage and Civil Partnership				X	
Pregnancy and Maternity				X	
Race				X	
Religion or Belief				X	
Sex				X	
Sexual Orientation				X	

2.2 In what way will the policy impact people with these protected characteristics?

Everybody is eligible to apply for the grant/funding as long as they meet at least one of the following criteria; 1) Their property has been internally flooded previously and actual damage has been sustained 2) Their property is located on an area in risk of flooding shown on the SEPA flooding maps. 3) Their property is located on an area in risk of flooding shown on the Integrated Catchment Model.

2.3 What considerations have been made in reaching the above assessment?

What internal or external data has been considered? What does this data tell us?

No direct data has been considered.

What consultation and engagement and has been undertaken with officers and partner organisations?

No relevant consultations have been completed in preparing this report.

What consultation and engagement and has been undertaken with people who may be impacted by this policy (e.g. citizens, community groups, or other people/groups)?

No relevant consultations have been completed in preparing this report.

2.4 What mitigations can be put in place?

What mitigations are there against any negative impacts (if applicable)?

n/a

With mitigations in place, what is the new overall rating of the negative impact(s)?

5: Children and Young People’s Rights Impacts

The United Nations Convention has 54 articles that cover all aspects of a child’s life and set out the civil, political, economic, social and cultural rights that all children everywhere are entitled to. It also explains how adults and governments must work together to make sure all children can enjoy all their rights.

Children’s rights apply to every child/young person under the age of 18 and to adults still eligible to receive a “children’s service” (e.g. care leavers aged 18 – 25 years old).

The Conventions are also known as the “General Principles” and they help to interpret all the other articles and play a fundamental role in realising all the rights in the Convention for all children. They are:

1. Non-discrimination (Article 2)
2. Best interest of the child (Article 3)
3. Right to life survival and development (Article 6)
4. Right to be heard (Article 12)
