

The purpose of an Integrated Impact Assessment is to evidence that Aberdeen City Council is meeting its legislative duties by assessing the potential impacts of its policies and decisions on different groups of people and the environment. The legislation considered within this assessment is:

- Section 2 Equality Act 2010 protected characteristics
- Section 3 Socio-Economic
- Section 4 Consumer Duty
- Section 5 Human Rights
- Section 6 Children and Young People's Rights
- Section 7 Environmental impacts

The term 'policy' is used throughout this document and applies to policies, proposals, strategies, provision, criteria, functions, practice, budget savings and activities that includes delivery of our services.

Existing policy being reviewed.

1.5 Is this report going to a committee?

Yes

1.6 Committee name and date:

Licensing Committee on 4th December 2024

1.7 Report no and / or Budget proposal number and / or Business Case reference number: CORS/24/359

1.8 Function and Cluster:

Legal Services, Governance

Impacts

Aberdeen City Council has a legal requirement as a public sector organisation to assess the impact of its work on equality groups and assess against human rights, children's rights and our socio-economic duty. This is our Public Sector Equality Duty (PSED). The PSED has three key parts:

- Eliminate unlawful discrimination, harassment, victimisation or any other prohibited conduct.
- Advance equality of opportunity.
- Foster good relations by tackling prejudice, promoting understanding.

This following five sections in the Integrated Impact Assessment demonstrate that these considerations that have been made in the policy, that the impact of proposals made is understood and accepted, and what mitigating steps can be taken to reduce any negative impact of the policy.

2: Equality Act 2010 - Protected Characteristics

Aberdeen City Council wants to ensure everyone is treated fairly. This section identifies what impact the policy may have on people with <u>protected characteristics</u>.

2.1 What impact could this policy have on any of the below groups?

Protected Characteristic	Negative		Noutral	Desitive	
	High	Medium	Low	Neutral	Positive
Age			Х		
Disability			Х		
Gender Reassignment				Х	
Marriage and Civil Partnership				Х	
Pregnancy and Maternity			Х		
Race				Х	
Religion or Belief				Х	
Sex				Х	
Sexual Orientation				Х	

2.2 In what way will the policy impact people with these protected characteristics?

Increased cost in taxi and private hire car journeys would possibly have an effect on the ability to travel by taxi or private hire cars over time if use is frequent.

2.3 What considerations have been made in reaching the above assessment?

What internal or external data has been considered? What does this data tell us?

A change index was used to calculate the percentage change in costs since the fares were last reviewed. A table was then prepared which compared an annual cost in 2023 against a projected annual cost in 2025 and the percentage change identified was 3.25 per cent. This table showed an increase since the last review took place.

What consultation and engagement has been undertaken with officers and partner organisations? On 6th November 2024 all holders of taxi licences were emailed a copy of the proposed taxi tariff card and asked to submit any comments they had by 20th November 2024.

To date, the majority of responses have suggested no increase in fares.

What consultation and engagement has been undertaken with people who may be impacted by this policy?

The Civic Government (Scotland) Act 1982 requires the Licensing Authority to publish the proposed new tariff in a newspaper circulating in its area stating that representations may be made by a date at least one month after the publication of the proposed tariff. This will be done once the proposed tariff has been agreed upon. Any representations must be considered before the final tariff is agreed upon.

2.4 What mitigations can be put in place?

What can be done to remove or reduce any negative impacts of this policy (if applicable)?

Any suggested price increase will be kept to the minimum required by the data collected.

With mitigations in place, what is the new overall rating of the negative impact(s)?
High

3: Socio-Economic Impacts

Aberdeen City Council has a duty to reduce the inequalities of outcome that can arise from socio-economic disadvantage. This section is used to consider what impact the policy may have on people experiencing socio-economic disadvantage – and how any inequalities of outcome arising from the policy can be reduced.

Use this guide to understand more on socio-economic inequalities: <u>The Fairer Scotland Duty: Guidance for</u> <u>Public Bodies (www.gov.scot)</u>

3.1 What impact could this policy have on people who experience the following aspects of socio-economic disadvantage?

	Negative	Neutral	Positive
Low income – those who have insufficient earnings to meet basic	Х		
needs, such as food, clothing, housing, or utilities.			
Low/ no wealth – those who have no savings for unexpected spend	Х		
or provision for the future.			
Material deprivation – those who cannot afford or access goods or		Х	
services that are considered essential or desirable for a decent			
quality of life, such as food, clothing, heating, transport, internet,			
cultural, recreational and social activities.			
Area deprivation – those who live in an area with poor living		Х	
conditions, such as higher levels of crime, pollution, noise,			
congestion, or lack of infrastructure, amenities, or green spaces.			
Socio-economic background – social class, parents' education,		Х	
employment, income.			

3.2 In what way will the policy impact people experiencing socio-economic disadvantage?

Increased cost in taxi and private hire car journeys would possibly have an effect on the ability to travel by taxi or private hire car over time if use is frequent.

3.3 What considerations have been made in reaching the above assessment?

What internal or external data has been considered? What does this data tell us?

The Civic Government (Scotland) Act 1982 requires the Licensing Authority to publish the proposed new tariff in a newspaper circulating in its area stating that representations may be made by a date at least one month after the publication of the proposed tariff. This will be done once the proposed tariff has been agreed upon. Any representations must be considered before the final tariff is agreed upon.

3.4 What mitigations can be put in place?

What can be done to remove or reduce any negative impacts of this policy (if applicable)?		
Any suggested price increase will be kept to the minimum required by the data collected.		
If mitigations are in place, does this remove or	No – negative impact remains	
reduce the negative impact?	Yes – negative impact reduced	х
	Yes - negative impact removed	

4: Consumer Impacts

The Consumer Scotland Act 2020 places a Consumer Duty on the public sector to put consumer interests at the heart of strategic decision-making, emphasising the need for accessible and affordable public services, especially during times of financial pressure. This person-centred approach is intended to result in better quality services and outcomes for the public as consumers of public services across Scotland.

This section of the IIA is used to consider the impact of the policy on consumers of any services that the policy is intended to change.

Use this guide to understand more on the consumer duty: <u>How to meet the consumer duty</u>: guidance for public <u>authorities</u>

4.1 What impact could this policy have on any of the below consumer groups?

	Negative	Neutral	Positive
Individuals	Х		Х
Small businesses			Х

4.2 In what way will the policy impact people in these consumer groups?

There would be an increased cost in taxi and private hire car journeys. Individuals who operate a taxi or private hire car would benefit from these increased costs, but for individuals using a taxi or private hire car the increased costs would have a negative impact as the cost for a taxi or private hire car journey would be higher.

Taxi or private hire businesses would benefit from the increased costs.

4.3 What mitigations can be put in place?

What can be done to remove or reduce any negative impacts of this policy (if applicable)?		
Any suggested price increase will be kept to the minimum required by the data collected.

6: Children and Young People's Rights Impacts

The United Nations Convention has 54 articles that cover all aspects of a child's life and set out the civil, political, economic, social and cultural rights that all children everywhere are entitled to. It also explains how adults and governments must work together to make sure all children can enjoy all their rights.

Children's rights apply to every child/young person under the age of 18 and to adults still eligible to receive a "children's service" e.g. care leavers aged 18-26 years old.

You can **<u>read the full UN Convention (pdf)</u>**, or **just a summary (pdf)**, to find out more about the rights that are included.

7: Environmental Impacts

Aberdeen City Council has a duty to meet its legal environmental responsibilities by working towards Net Zero emissions, adapting to climate change, and acting in a way it considers most sustainable. We must also fulfil the <u>biodiversity duty</u> and <u>sustainable procurement duty</u>.

This section in the Integrated Impact Assessment demonstrates that these considerations that have been made in the policy, that the impact of proposals made is understood and accepted, and what mitigating steps can be taken to reduce any negative impact of the policy.

Use this guide to understand more on the legal climate change duty: <u>Climate change - gov.scot</u> (www.gov.scot) and find out more about how Aberdeen is adapting to Climate Change: <u>Aberdeen Adapts</u> <u>Aberdeen City Council</u>

7.1 What is the impact of this policy on any of the below climate, environmental and waste considerations?

	Negative	Neutral	Positive
Council or City-wide carbon emissions		Х	
Active and sustainable travel		Х	
Facilities for local living		Х	
Resilience and adaptability to flooding and weather events		Х	
Biodiversity improvement and wildlife/habitat connectivity		Х	
Water consumption and drainage		Х	
Pollution (air, water, noise, light and land contamination)		Х	
Impact on resource use and <u>waste</u>		Х	
Sustainable procurement of goods and services		Х	

7.2 In what way will the policy impact the environment?

N/A

7.3 What considerations have been made in reaching the above assessment?

What internal or external data has been considered? What does this data tell us? N/A

What consultation and engagement has been undertaken with local groups, partner organisations, experts etc? Where required, identify any other environmental assessments that have been completed.

N/A

7.4 What mitigations can be put in place?

What can be done to remove or reduce any negative impacts of this policy (if applicable)?		
N/A		
If mitigations are in place, does this remove or	No – negative impact remains	
reduce the negative impact?	Yes – negative impact reduced	
	Yes - negative impact removed	

8: Sign Off

Any further positive or negative impacts on individuals or groups that have been considered? N/A

Does the policy relate to the Council's <u>Equality Outcomes</u>? If yes, how.

No. Required by statute.

Overall summary of changes made to the policy as a result of impact assessment.

No changes.

Outline how the impact of policy will be monitored.

Copies of the new Taxi Tariff Card would be produced and issued to all taxi and private hire licence holders to be displayed in their vehicles. A further review will require to be undertaken no later than 31st July 2026.

If there are any remaining negative impacts after mitigation, what is the justification for why this policy should proceed.

In terms of Section 17 of the Civic Government (Scotland) Act 1982 the Council, as the licensing authority for taxis, is obliged to regularly review and fix the scales for fares and surcharges so that they take effect within 18 months beginning with the date on which the previous scales came into effect. The current tariff and surcharges took effect on 31st July 2023. Therefore, the review must be completed, and the scales fixed no later than 31st January 2025.
