

The purpose of an Integrated Impact Assessment is to evidence that Aberdeen City Council is meeting its legislative duties by assessing the potential impacts of its policies and decisions on different groups of people and the environment. The legislation considered within this assessment is:

- Section 2 [Equality Act 2010 protected characteristics](#)
- Section 3 [Socio-Economic](#)
- Section 4 [Consumer Duty](#)
- Section 5 [Human Rights](#)
- Section 6 [Children and Young People’s Rights](#)
- Section 7 [Environmental impacts](#)

The term ‘policy’ is used throughout this document and applies to policies, proposals, strategies, provision, criteria, functions, practice, budget savings and activities that includes delivery of our services.

## 1. About the Policy

<b>1.3 Is this a strategic programme/proposal/decision?</b>	This will be a budget decision
<b>1.4 Is this a new or existing policy?</b>	This matter is considered regularly.
<b>1.5 Is this report going to a committee?</b>	Yes
<b>1.6 Committee name and date:</b>	Full Council (Budget) 5 <sup>th</sup> March 2025
<b>1.7 Report no and / or Budget proposal number and / or Business Case reference number:</b>	OSR-02
<b>1.8 Function and cluster:</b>	City Regeneration and Environment - Operations

## Impacts

Aberdeen City Council has a legal requirement as a public sector organisation to assess the impact of its work on equality groups and assess against human rights, children’s rights and our socio-economic duty. This is our Public Sector Equality Duty (PSED). The PSED has three key parts:

- Eliminate unlawful discrimination, harassment, victimisation or any other prohibited conduct.
- Advance equality of opportunity.
- Foster good relations by tackling prejudice, promoting understanding.

This following five sections in the Integrated Impact Assessment demonstrate that these considerations that have been made in the policy, that the impact of proposals made is understood and accepted, and what mitigating steps can be taken to reduce any negative impact of the policy.

## 2: Equality Act 2010 - Protected Characteristics

Aberdeen City Council wants to ensure everyone is treated fairly. This section identifies what impact the policy may have on people with [protected characteristics](#).

2.1 What impact could this policy have on any of the below groups?

Protected Characteristic	Negative			Neutral	Positive
	High	Medium	Low		
<a href="#">Age</a>			X		
<a href="#">Disability</a>			X		
<a href="#">Gender Reassignment</a>				X	
<a href="#">Marriage and Civil Partnership</a>				X	
<a href="#">Pregnancy and Maternity</a>			X		
<a href="#">Race</a>			X		
<a href="#">Religion or Belief</a>			X		
<a href="#">Sex</a>				X	
<a href="#">Sexual Orientation</a>				X	

2.2 In what way will the policy impact people with these protected characteristics?

When considering people with disabilities, of older age, in pregnancy or maternity, who live or operate a business within a controlled parking zone, there could be a negative impact for them due to the proposed increase in charge permits.

2.3 What considerations have been made in reaching the above assessment?

**What internal or external data has been considered? What does this data tell us?**

**What consultation and engagement has been undertaken with officers and partner organisations?**

Chief Officers from all other services have had sight of all budget options being put forward.

**What consultation and engagement has been undertaken with people who may be impacted by this policy?**

Aberdeen City Council undertook a two-part public consultation around the 2025/26 Budget and future spending plans from August 2024 to November 2024.

In Part 1, conducted throughout August 2024, participants were asked to provide feedback on four key areas: Budget Options, Council Tax, Service Area Prioritisation, and Capital Programme Expenditure. Under Budget

Options, respondents were queried about the potential impacts of proposed options, including both reduction strategies and income-boosting charges. Regarding Council Tax, input was sought on acceptable levels of increase and their potential impacts. Citizens were also invited to express their views on which service areas should be prioritised for spending and to offer their opinions on capital programme expenditure.

In part 2, which took place throughout November 2024, the Council consulted on additional budget options, again focusing on the impact if implemented. The phase 2 consultation included budget options relating to the Aberdeen Health and Social Care Partnership.

There were 4278 responses across the four areas consulted on during part 1 of the online consultation and 1535 responses to part 2. Respondents had the option to indicate which protected characteristics would be affected.

47% of respondents said higher costs for parking permits would have no impact, 17% reported a low negative impact, 11% noted a medium impact, and 25% indicated a high negative impact.

Various approaches were offered to support participation. Throughout both phases, opportunities were offered for the public to attend face to face and digital sessions to discuss the proposals in more detail. There were 2 face to face sessions, including British Sign Language options and 4 digital sessions, with a total of 24 attendees

#### 2.4 What mitigations can be put in place?

##### **What can be done to remove or reduce any negative impacts of this policy (if applicable)?**

Alternative modes of travel, either active, public transport or car club vehicles, are available through the operational hours of a controlled parking zone. Outwith the hours of the CPZ operation, parking is available free of charge to all. Parking is also free of charge at the periphery of the controlled parking zones areas.

The possibility of exploring a 'Carer permit' option could be considered; albeit, if progressed, this would require an amendment to Traffic Regulation Orders, which could take in the region of 9 to 12 months.

For those with disabilities, there is the 'Blue Badge' parking scheme, that beyond providing 'close proximity' parking opportunities in dedicated bays, provides an exemption from any charges associated with general on-street 'permit / pay & display / voucher' parking bays established by the Council.

**With mitigations in place, what is the new overall rating of the negative impact(s)?**

<b>High</b>	
<b>Medium</b>	
<b>Low</b>	X
<b>Negative Impact Removed</b>	

### 3: Socio-Economic Impacts

Aberdeen City Council has a duty to reduce the inequalities of outcome that can arise from socio-economic disadvantage. This section is used to consider what impact the policy may have on people experiencing socio-economic disadvantage – and how any inequalities of outcome arising from the policy can be reduced.

Use this guide to understand more on socio-economic inequalities: [The Fairer Scotland Duty: Guidance for Public Bodies \(www.gov.scot\)](http://www.gov.scot)

3.1 What impact could this policy have on people who experience the following aspects of socio-economic disadvantage?

	Negative	Neutral	Positive
<b>Low income</b> – those who have insufficient earnings to meet basic needs, such as food, clothing, housing, or utilities.	x		
<b>Low/ no wealth</b> – those who have no savings for unexpected spend or provision for the future.	x		
<b>Material deprivation</b> – those who cannot afford or access goods or services that are considered essential or desirable for a decent quality of life, such as food, clothing, heating, transport, internet, cultural, recreational and social activities.		x	
<b>Area deprivation</b> – those who live in an area with poor living conditions, such as higher levels of crime, pollution, noise, congestion, or lack of infrastructure, amenities, or green spaces.	x		
<b>Socio-economic background</b> – social class, parents’ education, employment, income.	x		

3.2 In what way will the policy impact people experiencing socio-economic disadvantage?

This proposal will impact on low-income households who wish to park their car within a controlled parking zone where they live or are visiting. Drivers can also park on the network outwith the controlled parking zones thought this may mean a further trip on foot, cycle or bus to return home. Active and public transport options are also available.

3.3 What considerations have been made in reaching the above assessment?

<b>What internal or external data has been considered? What does this data tell us?</b>
<b>What consultation and engagement has been undertaken with officers and partner organisations?</b>
Chief Officers from all other services have had sight of all budget options being put forward.
<b>What consultation and engagement has been undertaken with people who may be impacted by this policy?</b>
See 2.3 above

3.4 What mitigations can be put in place?

<b>What can be done to reduce any negative impacts of this policy (if applicable)?</b>	
Increasing active travel options around the city will continue to provide alternatives for the need to park a car within controlled parking zones. Car club vehicles are also widely available to reduce the need to own a personal vehicle but to still have a provision available on occasion.	
<b>If mitigations are in place, does this remove or reduce the negative impact?</b>	
	<b>No – negative impact remains</b>
	<b>Yes – negative impact reduced</b>

## 4: Consumer Impacts

The Consumer Scotland Act 2020 places a Consumer Duty on the public sector to put consumer interests at the heart of strategic decision-making, emphasising the need for accessible and affordable public services, especially during times of financial pressure. This person-centred approach is intended to result in better quality services and outcomes for the public as consumers of public services across Scotland.

This section of the IIA is used to consider the impact of the policy on consumers of any services that the policy is intended to change.

Use this guide to understand more on the consumer duty: [How to meet the consumer duty: guidance for public authorities](#)

### 4.1 What impact could this policy have on any of the below consumer groups?

	Negative	Neutral	Positive
<b>Individuals</b>	x		
<b>Small businesses</b>	x		

### 4.2 In what way will the policy impact people in these consumer groups?

An increase in permit costs could impact annual costs to businesses and individuals.

### 4.3 What mitigations can be put in place?

#### What can be done to remove or reduce any negative impacts of this policy (if applicable)?

Increasing active travel options around the city will continue to provide alternatives for the need to park a car within controlled parking zones. Car club vehicles are also widely available to reduce the need to own a personal vehicle but to still have a provision available on occasion.

#### If mitigations are in place, does this remove or reduce the negative impact?

No – negative impact remains

Yes – negative impact reduced

Yes - negative impact removed

## 6: Children and Young People’s Rights Impacts

The United Nations Convention has 54 articles that cover all aspects of a child’s life and set out the civil, political, economic, social and cultural rights that all children everywhere are entitled to. It also explains how adults and governments must work together to make sure all children can enjoy all their rights.

Children’s rights apply to every child/young person under the age of 18 and to adults still eligible to receive a “children’s service” (e.g. care leavers aged 18 – 26 years old).

There are 4 articles known as the “General Principles”. They help to interpret the other articles. They are:

1. Non-discrimination (Article 2)
2. Best interest of the child (Article 3)
3. Right to life survival and development (Article 6)
4. Right to be heard (Article 12)

For ease, the articles have been grouped in three categories to support assessments against the Convention, those most directly related to the **PROVISION** of services, those most directly related to the **PROTECTION** of children and young people, and those to encourage their active **PARTICIPATION in decision making**. You can [read the full UN Convention \(pdf\)](#), or [just a summary \(pdf\)](#), to find out more about the rights that are included.

6.2 In what way will the policy impact the rights of Children and Young People?

No impact on the rights of Children and Young People

6.3 What mitigations can be put in place?

**What can be done to remove or reduce any negative impacts of this policy (if applicable)?**

N/A

**If mitigations are in place, does this remove or reduce the negative impact?**

**No – negative impact remains**

**Yes – negative impact reduced**

**Yes - negative impact removed**

## 7: Environmental Impacts

Aberdeen City Council has a duty to meet its legal environmental responsibilities by working towards Net Zero emissions, adapting to climate change, and acting in a way it considers most sustainable. We must also fulfil the [biodiversity duty](#) and [sustainable procurement duty](#).

This section in the Integrated Impact Assessment demonstrates that these considerations that have been made in the policy, that the impact of proposals made is understood and accepted, and what mitigating steps can be taken to reduce any negative impact of the policy.

Use this guide to understand more on the legal climate change duty: [Climate change - gov.scot \(www.gov.scot\)](#) and find out more about how Aberdeen is adapting to Climate Change: [Aberdeen Adapts | Aberdeen City Council](#)

7.1 What is the impact of this policy on any of the below climate, environmental and waste considerations?

	Negative	Neutral	Positive
<a href="#">Council or City-wide carbon emissions</a>			X
<a href="#">Active and sustainable travel</a>			X
<a href="#">Facilities for local living</a>		X	
<a href="#">Resilience and adaptability</a> to flooding and weather events		X	
<a href="#">Biodiversity improvement</a> and <a href="#">wildlife/habitat connectivity</a>		X	
Water consumption and drainage		X	
Pollution (air, water, noise, light and land contamination)			X
Impact on resource use and <a href="#">waste</a>		X	
<a href="#">Sustainable procurement</a> of goods and services		X	

7.2 In what way will the policy impact the environment?

This action may have a limited positive impact if current permit holders review the decision to use a vehicle and instead transfer to active or sustainable travel modes. The Council continues to develop and deliver active and sustainable travel improvements.

7.3 What considerations have been made in reaching the above assessment?

### What internal or external data has been considered? What does this data tell us?

There are many different factors impacting customer choice. It would be challenging to identify specific impacts.

### What consultation and engagement has been undertaken with local groups, partner organisations, experts etc? Where required, identify any other environmental assessments that have been completed.

Budget consultation phases 1 and 2 with opportunity for feedback to be submitted online open until 17 November 2024.

7.4 What mitigations can be put in place?

### What can be done to remove or reduce any negative impacts of this policy (if applicable)?

Not applicable, no negative impacts identified

If mitigations are in place, does this remove or reduce the negative impact?

No – negative impact remains

Yes – negative impact reduced

Yes - negative impact removed

## 8: Sign Off

<b>Any further positive or negative impacts on individuals or groups that have been considered?</b>

<b>Does the policy relate to the Council's <a href="#">Equality Outcomes</a>? If yes, how:</b>
N/A
<b>Overall summary of changes made to the policy as a result of impact assessment.</b>
None.
<b>Outline how the impact of policy will be monitored.</b>
The increase in cost of permits may result in less people purchasing the permits. This could be a result of the permits no longer being an affordable cost to the user and/ or that the permit holder has moved to more sustainable travel modes.
<b>If there are any remaining negative impacts after mitigation, what is the justification for why this policy should proceed.</b>
None.
