Financed by							
B Government grants							246.352
C Non-Domestic Rates							89.320
D Use of Funds & Other Balances							0.275
Total Amount needed from Council Tax (figure A less figures B, C and D)							105.685
						1,230	

The movement from the previous year comprises an increase in net expenditure (including loan charges) of £20.915m on Council Services. The year on year change does not necessarily reflect an increase/decrease in service provision because of a number of variable factors affecting service budgets.

Band 'D' Council Tax set by the City 2009/10	£1,230
Band 'D' Council Tax set by the City 2008/09	£1,230
Scottish average Unitary Authority Band 'D' 2008/09	£1,149
Comparison with the Government's Planned Spending	£ for each Property
Spending figure used by the Government to work out council income support grant	£4,726
Amount the Council plans to spend on a comparable basis	£4,984

The above analysis shows a breakdown of the Council wide spend over the main service groups and this allows for comparison with other Scottish Councils.
