Civic Car/Chauffeur Driven Vehicles : Under the latest guidelines issued by the Local Authority Remuneration Committee we are required to report the costs associated with the use of the Civic Car/Chauffeur driven vehicles by Councillors on approved duties. These vehicles are mainly used when accompanying dignitaries from out with the city or when one or more Councillors are attending an official engagement and would therefore require several taxis to be hired, The Lord Provost uses the Civic Car to attend all engagements where he is required to wear the Chain of Office and is accompanied by the Town Sergeant.
