Note 2 - SRA reimbursed by Grampian Police Board

Note 3 - Smith, Margaret (2) shows WECP expenditure for the Lord Provost during the second of her 2 years as President of the World Energy Cities Partnership, which is a collaboration of 12 "oil cities" throughout the world.

WECP allows the exchange of petroleum industry knowledge, plus economic and infrastructure strategies.

It enables Aberdeen to maintain its position as a world centre for energy industry advancement, and encouraging inward investment and facilitating access to international markets for local companies.
