Structure, governance and management

The Charitable Trusts are constituted in a variety of ways. The type of governing document is shown at Appendix 1, where they are available. Information regarding some of the trusts is not available owing to their antiquity and the fact that they have been administered by a number of government bodies since coming into public control.

The positions of Secretary and Treasurer are filled by professionally qualified officers of Aberdeen City Council.

Risk

The trustees have overall responsibility for the Charitable Trusts system of internal control, including financial reporting and compliance with laws and regulations. The trustees acknowledge that such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives and can only provide reasonable and not absolute assurance against material misstatement or loss.

Objectives and activities

Information on the purpose and nature of the trusts is given below.

Bridge of Don Fund

The fund, more properly known as the Brig O' Balgownie Trust Fund, was set up in 1605 and its original purpose was for the "repair and upholding of the Brig O' Balgownie". Modern charity legislation does not include bridge maintenance as a charitable purpose and OSCR have deemed that the purpose of this trust is the advancement of heritage.

In August 2016 the trust adopted a new constitution. In August 2017 the trust agreed to provide a grant of £36,000 to digitise 1200 pages of a volume of medieval town records.

The Bridge of Don Fund has a 30% interest in the Lands of Skene with the remainder of its funds being invested in the Aberdeen City Council Loans Fund.

Bridge of Dee Fund

This fund was established in the 16th Century for the support, maintenance, reparation and when it is necessary the re-building of the new stone bridge over the River Dee. As with the Bridge of Don Fund, above, OSCR have deemed that the charitable purpose of this trust should be the advancement of heritage.

An application to reorganise the Bridge of Dee Trust was approved by OSCR in May 2017 and the assets of this trust were transferred to the Bridge of Don Trust in October 2017 to be used for the advancement of heritage.

Alexander MacDonald's Bequest

This fund was established in 1882 for the purchase of works of art for the Aberdeen Art Gallery and Museum collection following the death of Mr. MacDonald.

Trust funds are invested in the Aberdeen City Council Loans Fund.

Aberdeen Art Gallery Trusts

This trust was reorganised in March 2014 by the adoption of a new trust deed and funds are used for the advancement of the arts by providing for the purchase of works of art for the collection of Aberdeen Art Gallery & Museum.

Trust funds are invested in the Aberdeen City Council Loans Fund.

Guildry

The Guildry was formed 800 years ago, giving merchants of Aberdeen considerable powers within the town of Aberdeen. Over time that power has diminished, and the membership is no longer restricted to merchants. Today the Guildry exists for the promotion of the City of Aberdeen. The governance of the Guildry was last updated by a Court of Session decision in 1996 which recognised the financial assistance scheme to Burgesses and their family members and a new scheme of educational bursaries. Educational bursaries have not been awarded for a number of years and the Dean of the Guild has been working with Aberdeen University, Robert Gordon University and the North East Scotland College to identify potential candidates for bursaries.

The Guildry is currently working on drafting a revised constitution to enable participation in a wider range of charitable activities.

Trust assets are a 40% share in the Lands of Skene and investments in the Aberdeen City Council Loans Fund.

Lands of Skene

The Lands of Skene goes back to 1710 when the east half of the Lands of Skene was purchased on behalf of certain accounts. This was followed in 1712 by the purchase of the west half. Two feuing schemes were carried out in 1789 and 1816 and the land now remaining is known as the Lands of Easter Carnie.

In recent years, a number of properties have been sold off and funds have been invested in the Aberdeen City Loans Fund.

The free revenue from the Lands of Skene is split between the following:

Guildry Funds – 40%
Bridge of Don Trust – 30%
Common Good Fund – 30%

This is believed to represent the share of investment in the original purchase of the lands.

Lands of Torry

The Lands of Torry goes back to at least 1704 when they were purchased on behalf of certain accounts:

Duncan Liddel's Mortification – Professor of Mathematics – 25%
Duncan Liddel's Mortification – Library of College – 2%
James Cargill's Mortification – Bursary Fund – 10%
Patrick Copland's Mortification – Professor of Divinity – 12%
Common Good Fund – 51%.

The annual surplus from this fund is now split between the following:

Common Good Fund – 51%
University of Aberdeen Bursary Fund – 49%.

Education Endowment Investment Funds (EEIF)

The EEIF comprises over 60 smaller trusts, bequests and legacies split over 3 general areas.

- Education – primarily concerned with prizes or awards at schools
- Social Work – largely to provide comforts at residential homes
- John Murdoch Henderson Bequest – to be used for the purchase of music of intrinsically Scottish interest for the Central Library, Aberdeen.

In general, the charities activities are limited to the accrual of income from investments for use as appropriate given the purposes of the charity.

While reviewing records as part of the Council's reorganisation of charitable trusts, OSCR advised that only a small number of trusts previously reported as part of the EEIF were registered as charities. Only accounts in relation to these registered charities are contained in this document. A review will take place of all trusts that were previously reported as part of the EEIF to consider a reorganisation in consultation with OSCR.

The charitable trust now comprises of the trusts listed in appendix 2, sixteen of these trusts relate to prizes or awards at school while the other trust is for the purchase of music.

The John Murdoch Henderson Trust adopted a new constitution in 2015 which allows for the purchase of a wider range of music. This trust has funded the subscription to on-line music services for Aberdeen City Library Service users. This trust will be wound up once its funds have been expended.

Financial Review

The Trusts' total income increased from £188k in 2016/17 to £197k in 2017/18. The main change relates to Lands of Torry, which has started leasing a previously unleased area of land to Aberdeen Harbour Board.

Total Expenditure reduced from £370k in 2016/17 to £252k in 2017/18. The main change in expenditure on charitable activities has been the agreement to pay a grant from Bridge of Don Trust towards the renovation of the Thomas Glover House of £150k in 2016/17, but no such grant was paid in 2017/18.

The value of Investments has increased from £3.502 million in 2016/17 to £4.634 million in 2017/18 as a result of a large increase in the value of investment properties held by Lands of Torry of £1.156 million offset by a decrease of £14k in the investments held by EEIF and the sale of £10k investments by EEIF.

Investments in the City of Aberdeen Loans Fund have decreased from £3.312 million in 2016/17 to £3.249 million in 2017/18.

This has resulted in an increase in Net Assets from £7.058 million in 2016/17 to £8.145 million in 2017/18.

The following financial statements for all the Charitable Trusts have been prepared using the connected charities provision. They show the income and expenditure for the individual charities along with the surplus or deficit for the year. None of the individual charities are carrying forward a deficit on their reserves.

Where Governance Costs are allocated to charities these are in proportion to the value of the sums invested with the Council and are based on time spent by officers of Aberdeen City Council providing financial and other support to the organisations.

The investment policy of the Trust is to invest any surplus monies in the Aberdeen City Council Loans Fund.

The charities have no fundraising activities, as such, their annual income is earned through rentals on land and buildings, interest on cash balances, or through investment income by holding assets from securities to holdings in investment trusts. Consequently, the trusts' annual income will reflect the current record low interest rates and the limitations on increasing rents on farm properties governed by agricultural tenancies.

The value of land increased because an extra valuation was added during the year, relating to the lease of land by Lands of Torry to Aberdeen Harbour Board.

Reserves Policy

The Charitable Trusts have no explicit reserves policy, but as a general principle the "capital" of the funds is held effectively as a permanent endowment with only the annual income available for disbursement in the year.

The exceptions to this rule are for charities with little funds and a governing document that specifically states that the capital can be expended. An example of this would be the John Murdoch Henderson Bequest, which as noted above adopted a new constitution to enable the expenditure of the entire capital.

Aberdeen City Council Charitable Trusts hold unrestricted reserves totalling £8.02 million which are made up of unrestricted funds of £4.032 million and designated funds of £3.988 million. There are no restricted funds. Designated funds are those funds which relate to Aberdeen City Council non-charitable trusts which have invested in the Lands of Skene and Torry and at present no plans exist to spend this money.

Achievements and performance

A number of trusts have limited activity pending re-organisation, namely the EEIF and Guildry. The main charitable expenditure is the transfer of funds to the Aberdeen City Common Good Fund which finances a variety of activities for the benefit of the population of Aberdeen and funding for the Aberdeen University Bursary Fund. Further details are shown in the accounts within note 3.

Future plans

The Guildry has been working with the University of Aberdeen, Robert Gordon University and North East Scotland College to find candidates for its bursary scheme. A new constitution for the Guildry is being drafted and it is hoped to have this ready for trustee approval in the Autumn.

The EEIF is currently being reviewed as a number of school prizes relate to schools that no longer exist.

The limited funds held by the Alexander MacDonald Bequest will be used to fund the purchase of a work of art which will be unveiled at the re-opening of the Aberdeen Art Gallery and Museum following its refurbishment. The future of this

trust and the Aberdeen Art Gallery Trusts will be reviewed at that time as both trusts have minimal funds.

Aberdeen City Council is currently drafting an investment strategy which will cover trusts under their management.

STATEMENT OF THE TRUSTEES' RESPONSIBILITIES IN RESPECT OF THE ACCOUNTS

The Trustees are responsible for preparing the Trustees' report and accounts in accordance with applicable law and United Kingdom Generally Accepted Accounting Practice (UK GAAP).

Law applicable to charities in Scotland requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the Trust's financial activities during the year and of its financial position at the end of the year. In preparing financial statements, giving a true and fair view, the Trustees are required to:

- select suitable accounting policies and apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards and statements of recommended practice have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Trust will continue in operation.

The Trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Trust and which enable them to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005, the Charity Accounts (Scotland) Regulations 2006 and the provisions of the Trust Deed. The Trustees are also responsible for safeguarding the assets of the company and hence for taking reasonable steps for the prevention or detection of fraud and other irregularities.

Signed on behalf of the trustees on 29 June 2018.

1 - Accounting policies

Accounting convention

The accounts are prepared under the historical cost convention, and include the results of the Trusts' operations, all of which are continuing.

The accounts have been prepared in accordance with applicable accounting standards and comply with the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard 102 published September 2016.

In line with Regulation 7 of the 2006 Regulations, these financial statements have been prepared on the basis that the Trust funds for which Aberdeen City Council acts as sole Trustee are connected charities. As such, the accounts for the statements contain all relevant information that the individual accounts would have contained if they had been prepared on an individual basis.

Going concern

The accounts have been prepared under the going concern concept on the basis that Trustees have considered it and are satisfied that the going concern concept is appropriate.

The John Murdoch Henderson Trust, part of the EEIF, had funds of £31k at 31 March 2018 and plans to expend remaining trust funds on subscriptions to on-line music services. When funds have been expended the trust will be wound up.

An application to reorganise the Bridge of Dee Trust by the transfer of all trust funds to the Bridge of Don Trust was agreed by OSCR in May 2017. The Bridge of Dee Trust was wound up during 2017/18.

Recognition of revenue and expenditure

All income and expenditure due to be paid or received in respect of the year ended 31 March 2018 has been provided for within these accounts. Where revenue and expenditure have been recognised but cash has not been received or paid, a debtor or creditor for the relevant amount is recorded in the Balance Sheet.

Incoming resources

Incoming resources are included in the Statement of Financial Activities when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy. All incoming resources are in relation to unrestricted funds.

Income from investments is included in the Statement of Financial Activities in the year in which it relates. Interest on invested funds is included when it is paid or when it is notified as being due.

Rent from properties is recognised as it is due.

Resources expended

Liabilities are recognised when the charity has an obligation to make payment to a third party.

Resources expended are included in the Statement of Financial Activities on an accruals basis inclusive of any irrecoverable VAT.

Expenditure is directly attributed to the relevant category in the Statement of Financial Activities where practical. Other expenditure is allocated on a pro-rata basis based on the size of the fund.

Governance costs include those costs incurred in the governance of the charity and its assets and are primarily associated with constitutional and statutory requirements.

Funds

Unrestricted funds include incoming resources receivable or generated for the objectives of the charity without specified purpose and are available as general funds. These funds can be used in accordance with the charitable objects at the discretion of the trustees.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The cost of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the Trustees Annual Report.

Trustee Remuneration and Staff Costs

Interest & Management Charges are not treated as Debtors/Creditors but are treated as adjustments within the balances held by the Aberdeen City Council Loans Fund.

Interest is applied to the charity accounts gross of income tax based on an annual interest rate received from banks on funds invested by Aberdeen City Council on behalf of the charities during the year.

Management charges are 1% of the loans fund held at the start of the year where the balance is over £500.

Independent auditor's report to the trustees of Aberdeen City Council Charitable Trusts and the Accounts Commission

This report is made solely to the parties to whom it is addressed in accordance with Part VII of the Local Government (Scotland) Act 1973 and for no other purpose. In accordance with paragraph 120 of the Code of Audit Practice approved by the Accounts Commission, we do not undertake to have responsibilities to members or officers, in their individual capacities, or to third parties.

Report on the audit of the financial statements

Opinion on financial statements

We certify that we have audited the financial statements in the annual accounts of Aberdeen City Council Charitable Trusts for the year ended 31 March 2018 under Part VII of the Local Government (Scotland) Act 1973 and section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005. The financial statements comprise the Statement of Financial Activities, Balance Sheet, Statement of Cash Flows and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and the United Kingdom Accounting Standards, including Financial Reporting Standard 102. The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the accompanying financial statements:

- give a true and fair view of the state of affairs of Aberdeen City Council Charitable Trusts as at 31 March 2018 and of their incoming resources and application of resources for the year then ended.
- have been properly prepared in accordance with the United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005, and regulation 8 of The Charities Accounts (Scotland) Regulations 2006.

Basis for opinion

We conducted our audit in accordance with applicable law and International Standards on Auditing UK (UK). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the charities in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK including the Financial Reporting Council's Ethical Standards for Auditors, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern basis of accounting

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about ability of the charities to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Responsibilities of the trustees for the financial statements

As explained more fully in the Statement of Trustees' Responsibilities, the trustees are responsible for the preparation of financial statements that give a true and fair view in accordance with the financial reporting framework, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charities' ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless deemed inappropriate.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to achieve reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of the auditor's responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Other information in the statement of accounts

The trustees are responsible for the other information in the statement of accounts. The other information comprises the information other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon except on matters prescribed by the Accounts Commission or required by applicable law to the extent explicitly stated later in this report.

Independent auditor's report to the trustees of Aberdeen City Council Charitable Trusts and the Accounts Commission (continued)

In connection with our audit of the financial statements, our responsibility is to read all the other information in the statement of accounts and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Report on other requirements

Opinion on other prescribed matter by the Accounts Commission

In our opinion, based on the work undertaken in the course of the audit the information given in the Trustees' Annual Report for the financial year for which the financial statements are prepared is consistent with the financial statements and that report has been prepared in accordance with the Charities SORP (FRS 102).

Matters on which we are required to report by exception

We are required by The Charity Accounts (Scotland) Regulations 2006 to report to you if, in our opinion;

- proper accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- we have not received all the information and explanations we require for our audit.

We have nothing to report in respect of these matters.
