

# Flood Guard Suppliers & Installers

---

These companies are not endorsed in any way by Aberdeen City Council, but we are aware that work has been undertaken by both Stormguard Floodplan and UK Flood Barriers in Aberdeen City and that the Council has met with UK Flood Barriers with regards to other flood schemes. You are not obliged to use these suppliers or contractors to be eligible for the main grant, so long as the works meet the grant criteria you can use whoever you like to supply and install the Property Level Protection.

## Stormguard Floodplan

<http://stormguardfloodplan.com/flood-doors/>

Based in England, but install UK wide

01260 289 089

[info@floodplan.co.uk](mailto:info@floodplan.co.uk)
